If the assets were acquired by the promoter within two years prior to their transfer to the registrant, also state the cost thereof to the promoter.

Instructions to Item 404: 1. No information need be given in response to any paragraph of Item 404 as to any compensation or other transaction reported in response to any other paragraph of Item 404 or to Item 402 of Regulation S-K (§ 229.402 of this chapter) or as to any compensation with respect to which information may be omitted pursuant to Item 402.

2. § 229.405 (Item 405) Compliance with section 16(a) of the Exchange Act.

Every registrant having a class of equity securities registered pursuant to section 12 of the Exchange Act (15 U.S.C. 78l), every closed-end investment company registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*), and every holding company registered pursuant to the Public Utility Holding Company Act of 1935 (15 U.S.C. 79a *et seq.*) shall:

(a) Based solely upon a review of Forms 3 (§ 249.103) and 4 (§ 249.104) and amendments thereto furnished to the registrant pursuant to § 240.16a-3(e) during its most recent fiscal year and Forms 5 and amendments thereto (§ 249.105) furnished to the registrant with respect to its most recent fiscal year, and any written representation

referred to in paragraph (b)(2)(i) of this Item.

(1) Under the caption "Section 16(a) Beneficial Ownership Reporting Compliance," identify each person who, at any time during the fiscal year, was a director, officer, beneficial owner of more than ten percent of any class of equity securities of the registrant registered pursuant to section 12 of the Exchange Act, or any other person subject to section 16 of the Exchange Act with respect to the registrant because of the requirements of section 30 of the Investment Company Act or section 17 of the Public Utility Holding Company Act ("reporting person") that failed to file on a timely basis, as disclosed in the above Forms, reports required by section 16(a) of the Exchange Act during the most recent fiscal year or prior fiscal years.

(2) For each such person, set forth the number of late reports, the number of transactions that were not reported on a timely basis, and any known failure to file a required Form. A known failure to file would include, but not be limited to, a failure to file a Form 3, which is required of all reporting persons, and a failure to file a Form 5 in the absence of the written representation referred to in paragraph (b)(2)(i) of this section, unless the registrant otherwise knows that no Form 5 is required.

NOTE: The disclosure requirement is based on a review of the forms submitted to the registrant during and with respect to its most recent fiscal year, as specified above. Accordingly, a failure to file timely need only be disclosed once. For example, if in the most recently concluded fiscal year a reporting person filed a Form 4 disclosing a transaction that took place in the prior fiscal year, and should have been reported in that year, the registrant should disclose that late filing and transaction pursuant to this Item 405 with respect to the most recently concluded fiscal year, but not in material filed with respect to subsequent years.

(b) With respect to the disclosure required by paragraph (a) of this Item:

(1) A form received by the registrant within three calendar days of the required filing date may be presumed to have been filed with the Commission by the required filing date.

§ 229.501

(2) If the registrant (i) receives a written representation from the reporting person that no Form 5 is required; and (ii) maintains the representation for two years, making a copy available to the Commission or its staff upon request, the registrant need not identify such reporting person pursuant to paragraph (a) of this Item as having failed to file a Form 5 with respect to that fiscal year.

Subpart 229.500—Registration Statement and Prospectus Provisions

§ 229.501 (Item 501) Forepart of Registration Statement and Outside Front Cover Page of Prospectus.

The registrant must furnish the following information in plain English. See § 230.421(d) of Regulation C of this chapter.

(a) *Front cover page of the registration statement.* Where appropriate, include the delaying amendment legend from § 230.473 of Regulation C of this chapter.

(b) *Outside front cover page of the prospectus.* Limit the outside cover page to one page. If the following information applies to your offering, disclose it on the outside cover page of the prospectus.

(1) *Name.* The registrant's name. A foreign registrant must give the English translation of its name.

Instruction to paragraph 501(b)(1): If your name is the same as that of a company that is well known, include information to eliminate any possible confusion with the other company. If your name indicates a line of business in which you are not engaged or you are engaged only to a limited extent, include information to eliminate any misleading inference as to your business. In some circumstances, disclosure may not be sufficient and you may be required to change your name. You will not be required to change your name if you are an established company, the character of your business has changed, and the investing public is generally aware of the change and the character of your current business.

(2) *Title and amount of securities.* The title and amount of securities offered. Separately state the amount of securities offered by selling security holders,

if any. If the underwriter has any arrangement with the issuer, such as an over-allotment option, under which the underwriter may purchase additional shares in connection with the offering, indicate that this arrangement exists and state the amount of additional shares that the underwriter may purchase under the arrangement. Give a brief description of the securities except where the information is clear from the title of the security. For example, you are not required to describe common stock that has full voting, dividend and liquidation rights usually associated with common stock.

(3) *Offering price of the securities.* Where you offer securities for cash, the price to the public of the securities, the underwriter's discounts and commissions, the net proceeds you receive, and any selling shareholder's net proceeds. Show this information on both a per share or unit basis and for the total amount of the offering. If you make the offering on a minimum/maximum basis, show this information based on the total minimum and total maximum amount of the offering. You may present the information in a table, term sheet format, or other clear presentation. You may present the information in any format that fits the design of the cover page so long as the information can be easily read and is not misleading:

Instructions to paragraph 501(b)(3): 1. If a preliminary prospectus is circulated and you are not subject to the reporting requirements of Section 13(a) or 15(d) of the Exchange Act, provide, as applicable:

(A) A bona fide estimate of the range of the maximum offering price and the maximum number of securities offered; or

(B) A bona fide estimate of the principal amount of the debt securities offered.

2. If it is impracticable to state the price to the public, explain the method by which the price is to be determined. If the securities are to be offered at the market price, or if the offering price is to be determined by a formula related to the market price, indicate the market and market price of the securities as of the latest practicable date.

3. If you file a registration statement on Form S-8, you are not required to comply with this paragraph (b)(3).

(4) *Market for the securities.* Whether any national securities exchange or the Nasdaq Stock Market lists the securities offered, naming the particular
